RELEVANT WORK EXPERIENCE

Research Assistant

Cornell University

2022-ongoing

- Research Assistant for Prof. Eleonora Patacchini (Summer 2022).
- Research Assistant for Prof. Marco Battaglini (Spring 2024).

Research Assistant

Stockholm School of Economics

2020 – 2021

- Research Assistant for Prof. Abhijeet Singh and Prof. Martina Björkman Nyqvist.
- My task included supporting in the set up (e.g. construction of the survey, liaison with the partner NGO and survey firm), data collection and subsequent data analysis of a randomised control trial (RCT) aimed at studying job market outcomes and social inclusion of migrants who took part in a buddy matching program with an established Swedes. I also contributed to several other research projects, at different stage of completion, mainly run by professor Singh, in applied microeconomics in the field of development economics and on the economics of education.

Research Assistant (Part Time)

Queen Mary University of London

2020 – 2021

- Research Assistant for Prof. Andrea Tesei.
- My main tasks related to the data collection, data cleaning and harmonisation and on the statistical analysis of administrative and micro-level data (e.g. World Bank Migration and Remittances Surveys, IPUMS Census) on global migration at the sub-national level to estimate sub-national migration flows from Sub-Saharan Africa. A substantive part of my work was to build and analyse spatial datasets using R/GIS.

Policy and Data Analysis Intern

Organisation for Economic Co-operation and Development (OECD)

2019 – 2020

I worked in the Policy Analysis and Strategy Team, within the Financing for Sustainable Development Division (FSD) of the Development Co-Operation Directorate (DCD). During my time at the OECD:

- I co-authored a joint World Bank and OECD background paper on how to better mobilise international science, technology and innovation collaboration for Sustainable Development Goals.
- I co-led the data preparation and contributed to the data analysis and drafting of the 2020 Multilateral Development Finance Report, a biannual report on multilateral development finance.
- I contributed to a paper investigating the relationship between infrastructure investments and debt sustainability in Sub-Saharan Africa.
- I contributed, with either data analysis or drafting, to numerous policy briefs to provide senior officials with valuable insights on team's current workstreams.

OTHER WORK AND ACADEMIC EXPERIENCE

City Councilman

City Council, the City of Parabiago

2015 – 2020

- I analyzed policy proposals, assessed implemented policies and presented results to a range of stakeholders such as technical bureau directors, commission members, journalists and citizens.
- I served as official member of the "Social Services, Labor & Housing" and "Education and Culture" Commissions.

PUBLICATIONS

- Miedzinski, M., Kanehira, N., Cervantes, M., Mealy, S., Kotani, R., **Bollati, E.** (2020). "Science, Technology and Innovation (STI) for SDGs Roadmaps—Background Paper: International STI collaboration and investment for Sustainable Development Goals."

SKILLS

Statistical Analysis: STATA, R, Python (basic)

Typesetting: MS Office, LaTeX

Languages: Italian (native), English (fluent), French (conversational), German (basic)

DOCTORAL COMMITTEE MEMBERS

Marco Battaglini (Cornell University), **Milena Djourelouva** (Cornell University), **Eleonora Patacchini** (Cornell University)
